# Infant and Early Childhood Mental Health (IECMH) Overviews

## June 9:

### CPP Treatment Overview

Lori Rodriguez-Fletcher, MSW, LICSW, IMH-E®

This free overview discusses **Child-Parent Psychotherapy (CPP)**, a evidence-based treatment for young children ages 0-5 and families impacted by stress and trauma. Participants will learn more about CPP assessments, treatment, referrals, and the significance of early childhood mental health.

This webinar is for all professionals who work with children.

12-1 pm CT
