Infant and Early Childhood Mental Health (IECMH) Overviews

September 29:

PCIT International Overview

Lynne Clure, Ph.D

This free overview will discuss the general process of **Parent-Child Interaction Therapy (PCIT)** and what it looks like for children and families in Nebraska. Participants will learn more about attachment, the effects of PCIT on children, and how to identify and refer those who would benefit from PCIT.

This webinar is for all professionals who work with children.
