THE REFLECTIVE SUPERVISOR TRAINING PROGRAM

Awareness Webinar

January 12, 2027

or

June 24, 2027

12-1 pm CT

Zoom

Free registration!

Great supervisors do more than manage work–they develop people.

The *Reflective Supervisor* training is designed to help supervisors strengthen their leadership by building self-awareness and learning practical strategies for guiding and supporting staff.

In this webinar, you'll get an overview of the Reflective Supervisor Training Program and learn how reflective supervision can improve communication, strengthen relationships, and build staff confidence and autonomy.
