

CPP TREATMENT INFORMATIONAL OVERVIEW

FEBRUARY 4
12-1 P.M. (CT)

AUGUST 5
12-1 P.M. (CT)

FREE TO ATTEND

VIRTUAL VIA ZOOM

NEBRASKA RESOURCE PROJECT
FOR VULNERABLE YOUNG CHILDREN

Nebraska Child Parent Psychotherapy
Learning Collaborative

Speaker: Lindsey Ondrak, LIMHP, LPC

Participants will:

- Learn more about Child-Parent Psychotherapy, an evidence-based treatment for young children (ages 0-5) and families impacted by stress and trauma.
- Review the significance of early childhood mental health.
- Gain knowledge about CPP assessments and treatment.
- Understand the importance of early interventions and how referring for CPP makes a difference in development and mental health.
